Rumor has it he is in the Fargo/Moorhead area. Though the picture shows him with long hair, the USMS in MN received a tip that he now has a shaved head. It should also be noted that POWELL is reported to have a distinct limp (drags his foot) in his right leg. As always caution should be utilized if you encounter POWELL as he has an extensive criminal history, is an active gang member, and recently killed someone (possibly armed).
